Leírás:

This detached 4 bedroom 2 bathroom property with a generous 333m2 plot is situated in the historical and popular city of Alcala la Real in the Jaen province of Andalusia, Spain. Located in an elevated position with views over the city and of the Fortress, steps take you up to a large patio and terrace area off which is a bathroom to the right. A door at the opposite end of the patio leads into a country style kitchen off which is a lounge / dining room. To the right of the kitchen a passageway leads first to a fully tiled bathroom with a laundry area, a doorway to another outside space, then stairs taking you to the lower ground floor level where you have a room, currently used for storage and a twin bedroom with an ensuite wash room. Also on this level a staircase takes you up into another building where you have a further 2 double bedrooms each with an ensuite toilet / wash room. The larger of these bedrooms has direct access out onto the spacious patio area, opposite the main property. This 180m2 build 4 bedroom 2 bathroom house with a large plot and Castle views needs to have the renovations finished, including converting one or more of the 3 wash rooms into ensuite shower rooms. Being sold part furnished, this ideal DIY project is on the market for now 75,000 euros.
