in the heart of Tsagarada, in a location that combines the tranquility of the mountain with the endless view of the blue Aegean Sea, a unique guesthouse is available for sale, in excellent condition and ready to host new experiences. The property is developed on three levels, with comfortable and bright spaces that can easily be transformed into a luxurious private residence:

* Ground floor: Two independent apartments, each with a bedroom, living-dining room and bathroom - ideal for a family or guests.

* 1st floor: Spacious living room, kitchen, shared bathroom and four master bedrooms with private bathrooms.

* 2nd floor: Living room and six additional master bedrooms, offering comfort and independence to each guest.

The outdoor area, with the well-kept garden, the living rooms and the atmosphere created by the magnificent sea view, composes the ideal setting for relaxation and enjoyment. The location of the property makes it an excellent investment opportunity for tourist exploitation, while at the same time it is the ultimate refuge for those looking for a private home with character, comfort and a unique view of Pelion.
