Leírás:

This is a new development consisting of 135 apartments with 2 or 3 bedrooms, designed in a minimalist way and with high quality standards, the modern architecture harmonizes with large open spaces, nature and the pool, offering a unique and peaceful environment.

The penthouses have a glass surface overlooking green areas, pools and from the terrace views of the salt lagoon of La Mata.

The urbanization El Raso, where this project is located, is quiet, green, with wide, not busy streets, along which there are beautiful private villas and some low apartment blocks at the end (it is certainly not a congested urbanization).

El Raso is very comfortable to live in or stay during vacations. There is a well-developed infrastructure - within a 5-minute drive from the project there are supermarkets, restaurants, bars, various stores, a pharmacy, a veterinary clinic and everything you need needs for a comfortable and pleasant life.
