This expansive parcel of land presents an ideal opportunity for constructing a grand villa within the prestigious Varandas do Lago area.

Encompassing a total area of 890 square metres with a construction capacity of 594 square metres, this plot is perfectly suited for those seeking to erect a luxurious residence in a highly esteemed locale.

With its ample space, this property offers the potential to create spacious rooms, expansive terraces, and abundant outdoor areas, all designed to maximise enjoyment of the Algarve's renowned 300 days of sunshine annually.

Nestled within Varandas do Lago, a luxurious urbanisation situated within the esteemed Golden Triangle of the Algarve, this property boasts unrivalled access to amenities and attractions. Just a brief 5-minute drive away lies the picturesque Garrão beach, while the upscale resorts of Vale do Lobo and Quinta do Lago are conveniently located approximately 10 minutes away. - REF: PPH1730
