Galaxy Residences - Apartment No. 403 is a beautiful 2 bedroom apartment on the fourth floor of Block B. Galaxy Residences is a stunning development with two five-storey blocks of apartments for sale in Paphos. Within the two blocks, one can find a range of 2 and 3 bedroom apartments, the majority of which will have excellent sea views. A number of features can be found in the development, such as a communal swimming pool for each block, solar panels which will improve the energy efficiency of the building, and of course the beautiful modern design of the building that comes with sleek lines, large window openings and concrete finishing. With its privileged location, Galaxy Residences is nearby a very large number of amenities. Specifically, it is 1 minute driving distance from the round-about at the entrance of Paphos in Anavargos, allowing the residents to easily enter the highway connecting Paphos and Limassol. The hospital of Paphos is just across the street from the rear side of the development, a short walking distance away. A number of public and private schools can be found within a short radius.
