This is perfectly finished cute corner cottage set on one of the friendly streets in Olvera is perfect for a lock up and leave a small rental.

Everything is brand-new, From the front door to the three bathrooms, one on every floor! It really is perfect!

Entering the property to the kitchen-living space, With kitchen to the rear, a large window opens onto the street, allowing lots of light. Underneath the stairs is a small downstairs cloakroom. There is also a aircon/heating unit here.

Upstairs to the first floor is the master bedroom with new shower room, again with a large door to the street, allowing lots of light and a small balcony where you can see the views towards Sierra de Grazalema, with a small drying area.

Upstairs again to the third and final floor, and you have a second bedroom with second shower room, brand-new and newly built construction, although there isn't any private outside space, there is enough space outside for a bench or a table and chairs that you could move outside if you're so wished, this would make an excellent holiday rental.
