Leírás:

In the heart of Santo Estevão is this magnificent farmhouse, where the rustic Alentejo style meets modern comfort.

Inserted in a plot of 23,250 m², the property offers privacy, tranquility and contact with nature, with an inviting swimming pool and several fruit trees.

The main house is developed on two floors and features:

- 5 large bedrooms
- 4 bathrooms
- Equipped kitchen and pantry
- Spacious and bright living room

The farm also has an annex for visitors, fully integrated into the main house, consisting of 2 bedrooms, living room, kitchen and bathroom, providing autonomy and convenience for family or friends.

The areas are distributed as follows:

Covered Area: 522.90 m²

Living area: 306 m²

Living area: 193.50 m²

Balconies and balconies: 106 m²

Storage room: 73.80 m²

The combination of the rustic Alentejo design and the generous outdoor areas makes this farm a unique opportunity, whether for own housing, leisure refuge or tourist investment.
