In a peaceful part of Jadranovo, one of the most desirable coastal towns on the Kvarner Bay, lies this modern two-bedroom apartment in a new residential building scheduled for completion in spring 2026. Located on the first floor of a contemporary building with a total of four residential units, the apartment stands out for its high-quality materials, functional layout, and modern design built to the latest standards.

The apartment consists of an entrance hall, a spacious open-plan living room with a kitchen and dining area, two bedrooms, a bathroom, and a terrace providing a comfortable space for outdoor relaxation. A private parking space in front of the building is included in the price.

It will feature modern finishes and energy-efficient systems, with the possibility of integrating a smart home setup, making it ideal both for year-round living and as an investment in tourist rental.

Jadranovo is known for its beautiful beaches, crystal-clear sea, and serene atmosphere, while its proximity to Crikvenica, Kraljevica, and Rijeka makes it a perfect choice for those seeking a balance between tranquillity, modern comfort, and coastal living.
