Leírás:

Lovely 3 bedroom 1 bathroom home with two terraces in Olvera, set on the lower part of the town with great views and great access.

As soon as you enter the property you see the lovely views , to the left is a large open plan living room dining room with kitchen to the right and small covered balcony.

Upstairs you have 3 bedrooms and one bathroom as well as a small terrace to the front and utility room, there are windows to the amazing views and viewed to the street. In good condition, but does need a little TLC, it needs a new kitchen, other than that its a great house, which is reflected in the price.
