#### Leírás:

Discover this charming stone farmhouse, ideally located just two minutes from a vibrant village offering all the amenities you need for daily life. This house has 3 to 4 main rooms, with a spacious and bright living room, a welcoming kitchen, and a toilet on the ground floor.

Upstairs, you'll find a large, comfortable bedroom, as well as two additional smaller bedrooms, perfect for accommodating family or friends, and a bathroom with a toilet.

The structural work of the house is in excellent condition, providing a solid and reassuring foundation.

While some interior renovation could be considered to modernise and personalise the spaces to your taste, the recently installed PVC windows and doors ensure comfort and insulation.

The fully enclosed and landscaped grounds feature fruit trees, creating a true haven of peace. In addition, you'll benefit from two garages and a carport, providing convenient storage space for your vehicles and equipment.

Don't miss this wonderful opportunity to transform this farmhouse into your ideal home.

The department of Calvados is possibly the most famous of the three departments in Lower Normandy, the other two being Manche and Orne. The inhabitants are called the Calvadosiens and it is located in the north east of the region.

Calvados gathers many different cultural and geographical areas in one spot, there are 4 main areas: in the west of the department we find the Bessin area, mainly around Bayeux; in the south west there is the "Swiss Normande" area, a hilly land with rivers; in the centre of the department we find Caen with flat agricultural land; the Auge area stands out in the east of the department as the typical Normandy image with its half-timbered houses.

Calvados appeals to most for its many beautiful landscapes and beaches including the WWII landing beaches.
