This contemporary two-bedroom maisonette is located in the highly sought-after Tombs of the Kings area of Paphos, Cyprus, a neighborhood renowned for its rich history and cultural significance. The Tombs of the Kings, a UNESCO World Heritage Site dating back to the 4th century BC, is an extraordinary ancient necropolis carved into solid rock. Despite its majestic name, it was never a royal burial site; instead, it

served as the final resting place for Paphian aristocrats and high-ranking officials. The tombs feature impressive columned facades and intricately designed underground chambers, offering a fascinating insight into ancient Cypriot architecture and society. Living in this area allows residents to enjoy a unique blend of historical charm and modern convenience.

The maisonette is part of a brand-new development featuring five elegant blocks with a total of 72 luxury apartments and four exclusive maisonettes. Upon entering, you are greeted by an open-plan living, dining, and kitchen area that flows seamlessly onto a covered veranda, perfect for relaxation or entertaining guests. Upstairs, two spacious bedrooms each feature en suite bathrooms, providing comfort and privacy, while a guest toilet on the ground floor adds practicality.

Residents have access to an array of premium communal facilities, including a spa, massage area, swimming pool, gym, and a plunge pool located on the basement level. The maisonette also benefits from its own private parking, offering convenience and security.

Combining modern luxury, functional design, and a prime location near one of Paphos's most iconic historical landmarks, this maisonette represents an exceptional opportunity to enjoy a unique lifestyle in the heart of Cyprus.
