## Leírás:

Once through the gates, you'll fall in love with the magnificent inner courtyard of more than 1,000 m<sup>2</sup> that makes this property so unique. The main house is on the other side of the courtyard and the entrance is made via an attractive columned porch. A vast sitting room with a lovely fireplace welcomes you and sets the tone. There is a light-filled dining room with adjoining kitchen. There are 4 large bedrooms with en suite bathrooms. The first independent cottage comprises a large sitting room, a bedroom with en suite shower room on the ground floor, a kitchen with private terrace and a second bedroom with en suite bathroom on the first floor. There is also a second independent studio with mezzanine bedroom. Adjoining the house are two large multi-purpose rooms that could be used as a garage or as a reception room for events. In the other wing of the property is a spacious covered terrace with BBQ area, a barn and a 3-bedroom caretaker's cottage. Outside, a superb infinity pool offers breathtaking views of the surrounding countryside. Nearby, a tower has been renovated to accommodate a bedroom and shower room, providing a truly charming space. The property is set in approximately 9 hectares of land, including some woodland and meadow with a barn for storing equipment. This Chartreuse is located close to one of the most beautiful villages in France, where you can enjoy its restaurants and craft shops.
