EXCLUSIVE TO BEAUX VILLAGES Nestled within 6 hectares of stunning French countryside, in a hamlet of 3 houses, this impeccably restored 225m² converted stone barn seamlessly combines modern luxury with the timeless beauty of traditional stone architecture. The barn dates back to pre Napoleon times and now offers 3 spacious bedrooms and 3 stylish bathrooms, this home provides the perfect blend of comfort and character. The double-height living room, featuring a galleried landing, creates an impressive focal point, while the open-plan kitchen and dining area, equally expansive, makes it ideal for both large gatherings and intimate moments. Underfloor heating and a log fire ensures that the space remains cozy, even during the colder months. Expansive oversized patio doors from the lounge and kitchen/diner flood the interiors with natural light, allowing for an effortless flow between indoor and outdoor living, and perfectly capturing the essence of French lifestyle. Outside, a large stone terrace and a 50m² covered area encircle the heated swimming pool, offering a tranquil setting for relaxation or entertaining, surrounded by mature landscaped gardens that guarantee both privacy and peace. The grounds are divided between a manageable size garden, fields and woods. Separate from the house are two garages. Conveniently located just 5 minutes from local amenities, this property is easily accessible, with Bergerac Airport just 45 minutes away, and Toulouse and Bordeaux Airports a mere 1½ and 2 hours drive respectively. Don't miss the opportunity to own this exceptional home. Contact us today to arrange a viewing and experience its charm for yourself!
