Leírás:

We offer for long-term rent a well-maintained property in the heart of the city, in district 6, corner of Podmaniczky and Bajcsy-Zsilinszky streets.

The apartment lies on 103 sqm, situated on the second floor of a classical building- the building is without an elevator.

The flat is partly-furnished, it consists of 2 similar sized spacious rooms. one of them is the master bedroom with its own balcony, the second room is the living room with an open-planned kitchen. The rooms faced the street and as the flat is on the second floor therefore the two rooms are very bright. Above these spaces, the flat has 2 bathrooms with showers, an entrance hall, and a second bedroom (it has a mezzanine) that faced the courtyard.

Location is perfect: easy to reach by public transport plenty of buses, metros stop near the building, parks, and shops are within walking distance.

The apartment is ideal for a couple of small families.
