Priced attractively at USD 160,000, this 2-bedroom resort-style villa blends contemporary architecture with warm Moroccan influences, creating a private sanctuary designed for comfort, beauty, and long-term value. Set on 100 sqm of land with a beautifully crafted 156 sqm building, this fully furnished villa is designed to function as part of a boutique resort, offering an elevated residential and hospitality-inspired living experience.

Its thoughtful open-area layout connects airy interiors with the outdoors, where your own private pool becomes the heart of everyday relaxation. Soft textures, handcrafted details, and warm color palettes bring the modern–Moroccan aesthetic to life, giving the villa a unique and memorable character compared to other Lombok villas for sale. Beyond its design, the development offers a full suite of resort-style amenities that elevate both lifestyle and investment potential. Enjoy Concierge & Reception services, 24-hour security, bike and car parking, and professional building management that ensures your property stays in top condition.
