Leírás:

This traditional 3 bedroom, 2 bathroom town house with Andalucian tiles, sun terraces and countryside views is situated in Martos, in the Jaén province of Andalusia, Spain. Enter the double wooden doors into a vestibule with another set of doors opening into a beautifully tiled reception room. A step up leads us into the formal dining room with under stair cupboards, stairs and access to the kitchen with a wood burning stove. The back door in the kitchen opens onto a semi covered patio with a utility area, a sink, toilet and steps leading up to the different terraces. On the first floor there is a double bedroom at the front, a shower room and another bedroom with a study or dressing area. The second floor opens into one lovely large room with windows at the front and rear of the house as well as a door opening to one of the terraces with access to the higher terrace giving even better views over the rooftops. This is a lovely, ready to live in house waiting for new happy owners.
