Leírás:

In a quiet setting between Avranches and Granville, less than 10 minutes from the beaches, you're sure to fall in love with this magnificent stone house, tastefully renovated in 2010, offering approximately 156 sq m of living space.

- Ground floor comprises: a spacious and bright living/dining room, a fully fitted and equipped kitchen, a utility room/laundry room, a WC, and a technical room.

- Upstairs: there is an office and mezzanine, a bedroom with a dressing room, two further bedrooms, and a bathroom with a shower and WC.

The ground floor features underfloor heating (air source heat pump).

The house meets BBC (Low Consumption Building) standards with very low energy consumption.

A south-facing courtyard and garden offer complete privacy and include a small outbuilding. All this is set on approximately 1189 sq m of land, with a large garage of approximately 115 sq m at the rear.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its

many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
