Welcome to Valley Haven House, a serene retreat with breathtaking valley and mountain views, nestled in the heart of nature. Perfectly positioned to inspire and rejuvenate, this homesite offers the ideal setting to live your best life in Costa Rica's coastal paradise.

This beautifully crafted four-bedroom, four-bath residence was thoughtfully designed by Costa Rica's renowned WR Architects. Their signature style clean architectural lines paired with an elegant use of natural materials creates a home that feels both sophisticated and organically integrated with its surroundings.

The gourmet kitchen seamlessly connects to the dining and living areas through a timeless open-concept layout. In harmony with Senderos' 'Natural Modern' philosophy, the design ensures a fluid connection between indoor and outdoor living. Expansive windows and sliding glass doors open to generous terraces,

an infinity-edge pool, sun deck, BBQ area, and more bringing the outdoors in and inviting relaxation at every turn.

The home is intentionally designed to balance social and private spaces, making it ideal for entertaining or simply enjoying peaceful moments. Multiple access points offer functionality and flow, while the enclosed garage with ample storage provides space for all your beach and adventure gear.

Valley Haven House is more than a home it's a lifestyle to be shared with family and friends, embraced every day.
