Town House on 3 levels, 70.06 m2 of living space, 4 rooms including 2 bedrooms, garage and terrace. Optimised layout ideal for a first-time buyer or rental investment, offering good rental potential and comfortable living spaces on each level.

Located in Villedieu-les-Poeles, in the immediate vicinity of the historic center, rich in artisanal craftsmanship (bell foundry, artisan workshops), and municipal services. Local shops (bakery, mini-market, pharmacy, restaurants) are within walking distance, as are medical services and everyday shops. Primary and secondary schools are a short distance away, and after-school programs and local community activities are easily accessible.

Enjoy a pleasant living environment with green spaces and walking paths nearby, and convenient road access to neighboring towns for daily commutes. The train station and regional connections are accessible from the town; local transport and bus lines serve the town center. A private garage and terrace complete the amenities, providing comfort and practicality for everyday living.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
