Lagoons Village is a premium project developed by TM, one of Spain's most established and respected real estate developers. As a selected and authorised agent for this project, we offer you access to the complete portfolio, accurate and up-to-date information, and a safe, professional buying process from first contact to completion.&#13;&#13;

Here, timeless architecture meets high construction quality and modern living solutions – created for those seeking a comfortable, secure and stylish home in a Mediterranean setting.&#13;&#13;

The gated community offers a true resort-style atmosphere with several elegant pool areas, including a heated pool, spacious sun decks and beautifully designed communal areas. For an active and enjoyable lifestyle, residents have access to SPA facilities, paddle and tennis courts, a football pitch, children's playground, co-working spaces and exclusive chill-out areas. A shuttle bus conveniently takes you to the nearby, long sandy La Mata beach – a well-thought-out added value that enhances both everyday life and lifestyle.&#13;&#13;

This example shows a ground floor bungalow with three bedrooms and two bathrooms.&#13;&#13;  
Lagoons Village is more than just a residential project. It is a harmonious and vibrant community

offering apartments, bungalows, townhouses and villas, where each property type contributes to the character, quality and long-term value of the area.&#13;&#13;

With its attractive location within walking distance of shopping centres, restaurants and services, and close to Torre Vieja's city centre, marina and cultural life, this is a home that perfectly combines comfort, aesthetics and investment potential.&#13;&#13;
