Leírás:

1 bedroom apartment with about 50 m², located in the city center, in an area of high housing demand. Inserted in a building with few inhabitants, a feature increasingly valued by investors, both for its tranquility and for the reduction of maintenance and management costs.

The property benefits from unobstructed views, good exposure to natural light and a strategic location, with quick access to commerce, services, transport and areas of urban interest.

Due to its characteristics and location, it has excellent rental potential, ensuring stable profitability and ease of placement on the market.

A safe option for both experienced investors and those looking for a first real estate investment, in a liquid asset with a prospect of appreciation. - REF: 322/A/02418
