This stone barn has been partially renovated and now awaits someone looking to complete the transformation. On the ground floor, two rooms offer excellent potential to be converted into bedrooms or a home office, along with a large, bright living room opening onto a spacious open mezzanine landing above.

Upstairs, the landing leads to a kitchen, a bathroom, a generous master bedroom with its own dressing room and space to create a private shower room. The upstairs also offers a second bedroom. The master bedroom, the kitchen and the landing are each fitted with French doors, allowing for the creation of bridges providing direct access to the garden.

The garden sits higher than the ground floor of the house and is retained by gabion walls

The property is located in the quiet village of Saint Gourson, just a 10-minute drive from Verteuil-sur-Charente and 12 minutes from Champagne-Mouton, offering a prime location in the heart of the Charente countryside.
