It is in this inspiring setting, in the charming parish of Santa Luzia, that Torrinha Bay rises. A contemporary and charming development, consisting of 26 apartments with a sophisticated design, which promises a unique residential experience.

Living at Torrinha Bay is to enjoy the serenity of a quiet and predominantly residential area, without giving up the convenience of being within walking distance of the center of Funchal. Here, access to busy streets, restaurants, shops, and services is easy, allowing for a lifestyle balanced between calm and urban vibe.

The building, with a modern and elegant architecture, blends harmoniously into the urban landscape. It offers a diverse range of typologies (3 T0, 21 T1 and 2 T3, with areas between 45.70m² and 195.90m²) to adapt to different needs.

Each apartment has been meticulously planned to ensure:

Spectacular Views: Panoramic views over the bay of Funchal, enjoyed from large balconies.

Exceptional Brightness: Careful solar orientation to maximize natural light throughout the day.

Autonomy and Comfort: All include private parking.

Leisure and Relaxation: Swimming pool and landscaped gardens for moments of pure pleasure.

Torrinha Bay has two high-end duplex fractions, which work independently, similar to houses. Characterized by their large size and total privacy, these units offer autonomous entrances, their own garage and the refinement of a private pool on their spacious balconies. A sophisticated option for those looking for the best in space and quality of life.

With modern finishes, bright and spacious environments, Torrinha Bay is the perfect fusion between comfort and natural beauty. It is an ideal choice for families and investors looking for a high-value property and a truly unforgettable living experience.
