Outside, the land offers mature well-maintained and low maintenance gardens with mature trees, open green areas and plenty of space for growing vegetables, planting extra fruit trees or simply enjoying the life style that only countryside living can provide. It is a setting that encourages a healthier, more sustainable lifestyle without sacrificing convenience.

Despite its tranquil rural position, the villa is within easy reach of local shops, cafés and services, while the Algarves renowned beaches, golf resorts and international schools are all comfortably accessible by car.
