Leírás:	Building Plot

This plot of land in Ansião is an excellent opportunity for those looking for a quiet, sought-after location with the potential to build their ideal home. With a total area of 351 m² and a gross construction area of 380 m², it offers the perfect conditions for creating a modern, comfortable project tailored to the needs of those who value well-being and quality of life.

One of the most attractive aspects of this offer is the possibility of selling the plot together with the construction of the house, providing the buyer with a complete, accompanied, and personalized solution. This option simplifies the process, allowing for the development of a turnkey project that responds to the preferences and needs of each family.

Whether for your own home, investment, or to bring a carefully thought-out architectural project to life, this land has everything you need to turn your plans into reality. Schedule your visit now and discover the potential of this unique space in Ansião!
