Have you watched the Video Yet? - On the outskirts of Aix-en-Provence, at the foot of the iconic Sainte-Victoire mountain, lies an exceptional gem. Just ten minutes from the vibrant heart of the city, this Californian-inspired property is nestled in an enchanting park, where centuries-old olive trees whisper in the breeze and a majestic bamboo avenue invites you to discover a timeless haven.

From the moment you step inside, light becomes a precious ally, enhancing every space in this home designed for living in perfect harmony with the outdoors. In a single sweep, the 60 sq m living space opens up to the view, flooded with sunlight thanks to its immense south-facing bay windows.

Here, everything exudes refinement and elegance: a clean, signature decor, a warm fireplace, and a sitting area where comfort is discreet yet absolute.

Adjacent to the living room, a carefully furnished office provides an environment conducive to concentration and inspiration.

The spacious and fully equipped kitchen naturally extends this space, inviting conviviality and sharing.

The charm continues on the bedroom side.

Three bedrooms comprise this restful space, including a sumptuous master suite facing west, complete with its own dressing room and private bathroom.

Two other light-filled bedrooms share an elegant bathroom.

A refined annex with a bathroom completes this ensemble, ideal for entertaining or creating a private retreat.

A lifestyle immersed in nature.

Outside, the magic continues.

The swimming pool, a true promise of serenity, stretches out before a preserved landscape, offering an unobstructed and breathtaking view of the surrounding nature.

A terrace and relaxation areas have been designed to fully savour balmy summer evenings.

With its generous proportions, high-end amenities, and prime location, five minutes from the motorway, fifteen minutes from the TGV station, and twenty minutes from the airport, this property perfectly combines luxury, comfort, and the art of living.
