The ground floor features: an entrance hall leading to a hallway leading to either a bedroom or a 16 m² study, depending on your needs; a cosy living room (with exposed beams and wood-burning stove) leading to a 13 m² kitchen (not equipped) adjoining the barn, which offers numerous possibilities for conversion and already includes a toilet and a shower room. Upstairs, you'll find 3 bedrooms, 2 of which are en suite (12 m² each) and one of 18 m², perfect for welcoming family or friends, or for creating independent spaces for a gîte. Additional assets: natural spring well below the property with access to the river, the barn communicates with a stable and a converted, sheltered henhouse. Collective sanitation, gas central heating and wood-burning stove, double glazing on ground floor, roof in good condition, attractive property tax: 359€.
