Leírás:

Buildable land located in one of the most sought-after residential neighborhoods in Amarante, this magnificent urbanizable land of 2,546 m² benefits from a privileged location, just 5 minutes from the city center, the Forest Park and the Monastery of São Gonçalo.

Offering a strong development potential, the land allows the construction of 7 semi-detached houses of the T3 type, constituting an ideal opportunity for a real estate developer or an investor looking for a profitable project in a quiet area and in constant appreciation.

Fully served by public infrastructures (water, electricity, sanitation) and with very good road access, this land stands out for its unimpeded and magnificent view over the city, as well as for its strategic location, 45 minutes from Porto and 50 minutes from the international airport.

A space that combines nature, quality of life and profitability, perfect for carrying out a real estate project of the future in the beautiful city of Amarante.
