Leírás:

Unique Investment Opportunity in Alentejo

We present a plot of land with 2.7 hectares, located within a village, just 20 km from Évora, one of the most emblematic and sought-after cities in the Alentejo.

This asset is distinguished by its high development potential, with an approved Prior Information Project (PIP) for two strategic areas:

Senior Residence, responding to a growing and sustainable demand

Aparthotel, with a capacity of approximately 200 beds, ideal for long-stay tourism, health or well-being

The location combines tranquility, urban proximity and excellent accessibility, creating the perfect framework for projects related to tourism, health, the elderly or institutional investment.

Inserted in a region in strong growth, with high national and international interest, this land represents a turnkey solution for investors looking for security, scale and return.
