Located on the edge of the waterfront, in a prime residential area, this contemporary 4-bedroom villa is an ode to the symbiosis between sophisticated design and absolute comfort. Large glazed windows bathe the interior in natural light, offering stunning panoramic views over the Ria de Aveiro. The interior decoration, designed and executed by the renowned Oitoemponto office, further enhances the experience of refinement and exclusivity.

The architecture, modern and timeless, is distinguished by elegant lines and noble materials that ensure sophistication and durability. Inside, solid wood and large marbles provide unparalleled refinement. The ideal sun exposure provides a warm and inviting atmosphere, while outside, high-quality materials such as glass, zinc and solid brick ensure resistance to the proximity of water. The configuration of the property safeguards absolute privacy, creating a sheltered and exclusive environment.

The first floor reveals a spacious dining room with direct communication to the landscaped exterior, where the swimming pool stands out as the central element. Sliding glass doors establish a fluid connection between the indoor and outdoor spaces, perfect for moments of leisure. The functionally designed kitchen also benefits from direct access to the outside, offering a peaceful space for al fresco dining. This floor also houses two

bedrooms with direct access to the garden.

On the upper floor, the stunning living room, with multiple ambiences, was designed to maximize the enjoyment of the view over the water mirror. There is also a bedroom, a private room that can be used as an office and the sumptuous master suite, a true haven of luxury, with a sophisticated bathroom and a spacious walking closet.

Also noteworthy is the generous outdoor space where multiple cars can be parked, as well as the closed garage for two. The storage options in the villa are also vast. Multiple closets and cupboards are diluted in the walls of the corridors, making them easy to access on a daily basis. The laundry room adjacent to the kitchen is also sized to facilitate all the laundry in a house of this size.

This unique property combines design, comfort and privacy, providing a truly exceptional living experience.
