Complete building with shop, garage and panoramic rooftop | Historic Center of Ayamonte | 345 m²

In the heart of the historic center of Ayamonte, this complete building comprises two independent units, totaling 345 m² of constructed area, consisting of a commercial shop, a residential building with a garage, and a panoramic rooftop with direct views of the Guadiana River, Portugal, and the city's historic center.

A rare opportunity for investors, tour operators, or anyone seeking a premium asset in one of the most authentic and sought-after areas of the Portuguese-Spanish border, with high potential for appreciation and profitability.

Property Composition

Independent commercial shop - 100 m²

Fully operational and recently renovated shop, with a fully renovated bathroom and high-quality floor insulation. It has independent electricity, with water supply from the residential building. It has direct street access, making it ideal for commerce, clinics, offices, services, or tourist accommodation reception.

Residential building - 4 floors | 256 m²

Garage

Enclosed garage of approximately 20 m², with access from a rear street, an extremely rare feature in the

historic center of Ayamonte.

1st Floor - Social Area

Large living room on two levels, with excellent natural light, equipped with high-powered air conditioning. The old fireplace has been removed, but all the infrastructure remains, making it possible to reactivate it simply by removing the existing furniture.

Large kitchen with a sitting area and fireplace, equipped with a ceramic stove and oven. It has two air conditioning units. The kitchen fireplace connects to an office and two of the bedrooms, allowing for efficient heating in several rooms.

Full bathroom, storage/pantry and private internal patio, with specific insulation for humidity control.

2nd Floor - Private Area

Area comprising four bedrooms, one of which is a suite. Two of the bedrooms have access to a shared balcony. There are two bathrooms, one in the suite and another serving the other bedrooms. Continuous balcony with good sun exposure.

3rd Floor - Panoramic Rooftop

Two large panoramic terraces with open views over the Guadiana River, the Portugal-Spain international bridge, and the historic center of Ayamonte. This floor also has two additional enclosed spaces, ideal for an office, storage, or support areas.

Technical Characteristics and Comfort

The property underwent renovations approximately four years ago. The contracted electrical power is 5.5 kW. There is an ambient music system installed throughout the house, currently unused. The internal patio has adequate insulation for protection against humidity.
