Leírás:

Brillac - Superb opportunity, house located in the village, with outbuildings, courtyard and large garden with planning permission. The house was built in the 17th century. The ground floor is a large hallway with traditional staircase. There is a large living room with fireplace with original parquet flooring and toilet. There are two large bedrooms with parquet flooring and one with en-suite shower room. It is also possible to make further bedrooms as there are 2 large attics, one with a balcony. There are two large old stables and two outbuildings in an enclosed garden and a closed area for parking the car. In the enclosed garden, stone steps lead to the garden with a large lawn with fruit trees and another gated entrance and this has planning permission to build a house. The house had the roof changed about 8 to 10 years ago, and now the replacement of the 2nd part of the roof is complete and the water heater is new and there is a well. Ideal for a family or a business project (bed and breakfast). Close to all amenities, shop/bar/gas station, bakery, doctor, fishing lake, swimming pool, garden center and beautiful countryside walks and tourist activities.
