Leírás:

On the market for 24,000 euros, this 4 bedroom townhouse with a garage and outside spaces is situated in popular Castillo de Locubin, close to the historical city of Alcala la Real in the south of Jaen province in Andalusia, Spain. Located on a quiet street with a large private garage, currently being used for storage. You enter the townhouse into a lounge with a sitting or dining room then the kitchen off to the right. Opposite the kitchen is a ground floor fully tiled shower room and there is access out into a private patio area. A small number of steps from the sitting room lead up into a storage room with a doorway out into another outside patio / garden space. Back in the lounge, towards the rear steps lead first to a bedroom then to stairs taking you to the first floor landing from where you have a double and a twin bedroom off to the right and a further bedroom to the left that has far-reaching countryside views. In need of renovating throughout, the property has town water and electricity connected, so it would be possible to reside in the townhouse whilst renovations were being carried out.
