An exceptional opportunity to acquire a unique property in Vale del Rei, just minutes from the renowned Praia da Marinha, widely regarded as one of the most beautiful beaches in Europe. Set within the peaceful Algarve countryside yet close to the coastlines cliffs and turquoise waters, this offering combines privacy and prime location.

The sale includes three distinct plots: a rustic plot with 19,160 m<sup>2</sup>, a mixed plot with 16,350 m<sup>2</sup> where an approved architectural project is in place, and an additional urban plot measuring 433 m<sup>2</sup>. Together, these parcels create a substantial landholding with exceptional potential, ensuring privacy and long-term value in one of the Algarves most desirable areas.

The mixed plot benefits from full project approval for the construction of a villa designed to blend harmoniously with its natural surroundings. The villa features 299 m<sup>2</sup> of build area complemented by a spacious 171 m<sup>2</sup> basement, offering versatile. The project also includes a private swimming pool and generous terraces, designed to maximize outdoor living and the Algarves year-round sunshine.

Located just a short drive from the coast and close to the charming towns of Carvoeiro and Lagoa, this

property offers tranquility without isolation, with Faro International Airport approximately 45 minutes away. With its extensive land area, approved villa project, and proximity to Praia da Marinha, this is a rare opportunity to create a bespoke residence or secure a valuable investment in the heart of the Algarve.
