Leírás:

Just a few minutes from Castillon-la-Bataille and its amenities, this character property offers rare potential: a main house to renovate, a second house already rented, and several large outbuildings, all set within 5,880 m² of landscaped grounds.

The main stone house is full of charm and authenticity. On the ground floor, it features a kitchen with fireplace, a warm and inviting living room with its own fireplace, a bedroom, a bathroom, and several additional rooms that can be redesigned to suit your project.

Upstairs, four spacious bedrooms with exposed beams create a peaceful sleeping area. One of them includes a water point and could easily be converted into a large family bathroom.

Outside, the outbuildings open the door to many possibilities: guesthouses, artist studios, reception space or a professional project. The green and private setting enhances the unique character of the property.

A major asset completes the property: a second independent 114 m² house, currently rented at €460 per month. It includes a living room, a separate kitchen with pantry, and upstairs three bedrooms, a bathroom and a separate WC. An immediate rental income that secures your investment.

This is more than a house — it is a life project, a place to shape and make your own.
