Leírás:

Located in the heart of Fort-de-France, in a lively and dynamic area, this 240 sqm commercial building represents a real opportunity to bring an ambitious project to life.

Behind its façade lies a spacious and flexible interior, ready to be transformed according to your needs. Retail space, offices, professional premises, or a rental investment project — the possibilities are numerous. Currently composed of one office and one restroom, the building provides a functional base that can be completely redesigned to suit your business or investment plans.

Renovation work is required, but this also represents the true advantage of the property: the freedom to create a space perfectly aligned with your vision.

Its central location, close to high schools, shops, parks, and public transportation, ensures visibility, accessibility, and activity — key elements for developing a successful business or maximizing an investment.
