Exclusive to Sélection Habitat: Amidst the rolling vineyards of Cognac and Blaye, on a 1.5-hectare estate, lies an extraordinary property that harmoniously combines heritage, vision and quality of life. This 19th-century cognac farm was completely rebuilt from 2010 onwards with extraordinary care and a forward-looking vision. The result is a robust, elegant villa that is now more ahead of its time than ever. With a geothermal heat pump, underfloor heating, excellent insulation, high-efficiency glass, integrated ventilation and a 24,000-litre rainwater reservoir, this property has an exceptionally low ecological footprint. Inside, you will find 250 m² of generous volumes, with four spacious bedrooms each with its own bathroom an office, a kitchen with oak cabinets and a majestic living room opening onto a south-facing terrace with panoramic views of the Gironde estuary, where sky and water meet. There is also a wine cellar, a renovated bread oven and a garage, and to complete the picture, a second driveway leading through an orchard to a large open barn. Located just 7 km from Mirambeau, 50 minutes from the Atlantic coast and 1 hour from Bordeaux. A rare domain. A visionary investment. A unique opportunity.
