Leírás:	

These old stone houses for sale in Chania Crete are an exceptional find, located in a traditional Cretan village. They consist of four historic buildings featuring characteristic arches, multiple rooms, and original architectural details that have been well preserved over time,

The buildings can be eligible for village restoration subsidy programs, an incentive that has already benefited many properties in the area, boosting their value following successful restoration works.

The property suits a wide range of uses, from a boutique hotel or luxury private residence to holiday rentals or a broader real estate investment, in an area that is steadily growing in both demand and value.

A rare opportunity to acquire old stone houses for sale in Chania, Crete with genuine character, history,

and strong development potential.
