8% ROI (proof of this available on request by serious buyers)
4 Luxury Tourist Apartments – Prime Frontline Location

Imagine owning four stunning apartments right on the sands of Benalmádena Costa — where the Mediterranean is your front garden and holidaymakers line up year-round. This is beachfront ownership at its most profitable.

Why this is unmissable:

- Frontline location – step straight from your terrace onto the beach
- Four fully licensed tourist units with a proven rental history
- Designer interiors, fully furnished & move-in/rent-out ready
- Private terraces with panoramic sea views
- Walking distance to trendy restaurants, vibrant bars, shops & transport

???? Income Powerhouse – Each apartment generates a8% ROI per year, making this package an instant cash-flow machine from day one.

Opportunities like this — four turnkey beachfront apartments sold together — are almost never on the market. Whether you keep them for rental income or as a private coastal portfolio, this is the kind of investment that grows in both value and demand.

???? Benalmádena Costa – Costa del Sol at its finest.

Where the sunsets are golden, the sea is turquoise, and the rental market never sleeps.
