Residents will have exclusive access to outdoor pools , a complete wellness area , including a fully equipped gym, sauna and hammam, and a gourmet room .

The complex will have covered parking in the basement, pre-installed for charging electric vehicles . The basement also houses storage rooms for all units.

A contemporary open-concept design , where spaces flow and intertwine with the exterior, allowing nature to flow through the windows and envelop the home in a harmonious and serene atmosphere.

The home's most intimate area has been designed to emphasize calm and comfort . The orientation and layout allow for maximum use of natural light, while the high-quality finishes enhance the feeling of well-being.
