Leírás:

The home is arranged around a bright open-plan living and dining space that connects to a fully-fitted contemporary kitchen, complete with integrated appliances and a practical breakfast bar for informal dining. Expansive sliding glass doors open onto a private terrace and garden, creating an easy connection between the interior living areas and the outdoor space while allowing natural light to flood the apartment throughout the day. The principal bedroom has direct access to the terrace and features fitted wardrobes and en-suite bathroom. Two further bedrooms provide flexible accommodation for family members or visiting guests and are served by a separate, well-appointed bathroom. The apartment is part of Solemar, a residential development designed around landscaped communal gardens and a shared swimming pool, offering residents a relaxed environment within a well-maintained setting. It is in comfortable walking distance to Playa Ancha beach, while the entrance to Doña Julia Golf Club sits just moments away. The nearby towns of San Luis de Sabinillas and Manilva, meanwhile, are minutes away and provide a wide range of restaurants, shops and amenities. Several of the Costa del Sol's most respected golf courses are also close by, including Finca Cortesin and Casares Golf. For further details or to arrange a private viewing, please contact us.
