It is a duplex apartment located in one of the blocks of an urbanization in Vila Real, located on the top floor of the building. Although in the official documentation it is described as a T4, considering the use of the upper floor, it works in practice as a T5, with a very generous area spread over two floors, in addition to including two parking spaces.

and pantry.

The upper floor, corresponding to the attic, also has independent access and includes a hall, a living room, two bedrooms and a bathroom, being fully functional as a living area.

On both floors, the property has built-in wardrobes in all bedrooms and light wood flooring. It is equipped with central heating and hot water through a natural gas boiler, with radiators distributed throughout the rooms.

The lower floor also has large windows with double glazing, providing good light. The property has an energy class of C. - REF: 1223 - T5 Duplex - Vila Real
