Ready to move in apartment renovated with excellent features.

The property comprises an entrance hall from Via G. Carducci 7 with a hallway. Nine steps lead to a 20 sqm living room with a working fireplace. From this room, an arched dining room leads to a balcony overlooking the town. A hallway leads to the sleeping area, comprising one double bedroom and one spacious single bedroom. Two bathrooms, both windowless but equipped with extractor fans, one with a bathtub and one with a shower, are also included.

Three steps lead to the chestnut-built kitchen, which will be included in the sale.

From this room, there is a full sea view all the way to Cecina.

From the entrance area, five steps down lead to a further bedroom with a window, approximately 12 sqm. Currently used as a laundry room, it could easily be converted into a study.

The second entrance from number 9 leads to the bedroom currently used as a laundry room and a hallway where bicycles, strollers, or other items can be stored, before continuing to the apartment.

Utilities are present: independent heating with a working fireplace, dove-gray Brunelleschi flooring, a new boiler, stovetop, and oven, a working refrigerator and freezer, cherry wood doors, windows that just need repainting. The shelving in the bedroom will also be left, a working TV system, and a new boiler.

Castagneto Carducci is a medieval village with 8,700 inhabitants located in the heart of the Etruscan Coast, in the province of Livorno. The village is perched on a hill about 10 km from the sea and originally developed around the castle of the Counts of Gherardesca family. Shops and services of all kinds are available.
