Imagine living where every moment is framed by the endless blue of the Pacific. Wake to the scent of gardenias and plumeria drifting through lush private gardens. Spend your days beside your 70 foot infinity edge pool the water seeming to spill directly into the sea beyond. This is more than a home. It's a sanctuary. Here sleek architectural lines and cool Italian marble create a gallery like setting while a stunning glass elevator lifts you through the heart of the house. From your desk the ocean view is your daily inspiration and on cool evenings the glow of an outdoor fireplace invites you to linger under the stars. Privately nestled within the legendary gates of Pedregal Cabo San Lucas this villa is a seamless blend of rugged natural beauty and sophisticated design.
