Leírás:

If you are looking for a magnificent and balanced housing project, in the tranquillity of the countryside but only 5 minutes from everything the city has to offer, you have found it!

Located in Matoeira-Vidais, this project, full of architectural character and contemporary comfort, will become a true private riverside retreat, very close to Caldas da Rainha.

This property is hidden in a peaceful riverside landscape, all just a stone's throw from the city of Caldas da Rainha.

This project offers you the opportunity to create a timeless home in Portugal, surrounded by water, fertile land and tranquil beauty, without sacrificing access to culture, services and everyday life.

THE PROJECT

A house with personality and an approved architectural design

The property benefits from a fully approved architectural renovation project, allowing construction to begin with clarity, security and flexibility

This architectural project was designed to respect the original character of the building, introducing contemporary standards of comfort and quality, offering the freedom to customise materials and finishes, creating a home that truly reflects the lifestyle and taste of its owners.

ARCHITECTURAL CONCEPT

Interior concept — Refined authenticity

The house originates from an old wine cellar, whose original volume and proportions have been carefully

preserved. The architectural approach embraces this heritage, transforming it into an elegant and light-filled living space suited to modern life; natural light, generous volumes and visual connections to the outside define the interior atmosphere, creating a calm and welcoming environment throughout the house.

LIVING AREAS

Open, bright and connected spaces
Entrance hall and social circulation
Spacious kitchen and dining area designed for gatherings
Living room with double height ceiling.
Large openings facing north, south and west
Strong visual and physical connection to the surrounding landscape
Laundry and service spaces discreetly integrated

PRIVATE AREAS

Private areas — comfort and privacy
Ground floor room suitable as a bedroom or home office
Three bedrooms with en-suite bathrooms on the first floor
Master suite with walk-in wardrobe
First-floor lounge or distribution area, ideal as a reading or relaxation space
Each private space has been designed to offer comfort, privacy and a peaceful relationship with the surrounding natural environment.

OUTDOOR LIVING

Outdoor living — A lifestyle defined by nature
The outdoor areas have been designed as an extension of the interior spaces, encouraging outdoor living throughout the year.
Covered parking area
Garage or storage space
Swimming pool integrated into the landscape
Barbecue and outdoor dining area
Fire pit for evening gatherings
Landscaped garden
Vegetable garden or orchard
Open meadow with fertile soil
Direct access to the Tornada River
A truly exceptional feature of this property is its direct access to the river and connection to additional land bordered by two rivers. This creates a rare sense of relaxation, natural wealth and harmony with nature

PLANS AND LAYOUT

The layout of the house has been designed to ensure fluid circulation, a clear separation between social and private areas, and a strong relationship with the outdoor spaces.

LOCATION

The best of both worlds

Located in Matoeira, in the parish of Vidais, the property is just 6 minutes from Caldas da Rainha, as well as the A8 and A15 motorways, and 20 minutes from Foz do Arelho beach, among others in the vicinity.

In this setting, residents will enjoy the tranquillity of rural life, while still being close to restaurants, markets, healthcare, schools and cultural life.

FEATURES OF THIS PROJECT

- Approved architectural design
- Freedom to customise finishes and materials
- Possibility of minor adjustments to the design
- Full supervision of construction quality
- Potential tax and investment advantages
- Rare riverside location with additional land
- Property and land with approved project

Come and visit and be enchanted!
