Elegance and Luxury are the watchwords of this fabulous flat, of type T3, located on the ground floor, inserted in a reference development, privileging a location of excellence as it is just steps from the beach and the sea, and all the main services and essential amenities.

This property is distributed, in its social area, by a large and spacious living and dining room, harmoniously integrated with the kitchen in an open space concept, with access to an incredible terrace, with a garden area, ideal for outdoor leisure moments, and a service bathroom.

The most private area of the property has 2 bedrooms, a full bathroom and a suite with private bathroom.

Casa Da Joana is a company linked to the real estate industry that was born in the city of Aveiro. It is

distinguished by the rigorous and careful selection of the properties it promotes and presents to its clients. It is assumed as a relaxed concept, where finding the ideal home, and as passionate as possible, are the watchwords.

The proximity and empathy he establishes with customers creates bonds and establishes a relationship of equal trust and credibility.

We are in the market to give colour and passion to the real estate market and to combat the traditional model of buying and selling real estate.

Our home is the most special place in our life and, therefore, choosing it is a process that should be advised with all the importance and care it deserves.
