Behind its peaceful lines, this property reveals a lifestyle where each space seems to tell a story. The 150 sqm house is laid out with fluidity. From the entrance, the eye is drawn to a warm living room, enlivened by a fireplace, which extends to a dining area and a fully equipped kitchen, opening onto the terrace like a constant invitation to the outdoors.

Upstairs: three comfortable bedrooms, sharing a spacious bathroom with a shower. Like a separate retreat, an elegant 54 sqm one-bedroom apartment with its own garage is integrated into the property.

The kitchen opens naturally onto a light-filled living room, extended by a private terrace, a gentle promise of peaceful moments. A separate bedroom and bathroom comprise this space, which can be connected to the main house to create a single, unified living area. And this is where the magic truly happens.

The garden, delicately bucolic, seems timeless. Among the natural flora and the interplay of light and shadow, a swimming pool area unfolds, complete with its pool house, a true haven of tranquility, perfect for long summer days and leisurely evenings.

In the basement, a vast 160 m2 space houses two garages and a workshop with endless possibilities.

A raw, almost secret space, ready to be reinvented as an independent studio, a creative space, or a refuge from the hustle and bustle.

At the front, the property extends its authentic character with an animal enclosure, a tool shed, and two carports, adding touches of everyday life.

Finally, the amenities complete this picture: photovoltaic panels, water from the Canal de Provence, and a well, combining modern comfort and self-sufficiency.

A rare find, where nature, space, and potential intertwine with elegance.
