We offer for sale this exceptional property, a former mill, authentic and full of charm, dating from the 17th and 18th centuries, with a 15th-century section (former watermill), nestled in the heart of the Ecouves forest, beside a stream, with a pond, well, horse paddock, approximately 3 hectares of pastureland and a small poplar grove, all 5 km from Alençon.

This property is nestled in a delightful, peaceful, and secluded setting, facing south, and comprises:

A main house (former mill), including on the ground floor: an entrance hall, a hallway leading to a kitchen opening onto a large living room (terracotta tile floor) of 45m² and a sitting room/library with terracotta tiles, exposed beams, and a fireplace of approximately 36m². A WC, a bedroom, a shower room, and an extension with a covered patio for outdoor dining or other uses.

You will also find a large paved terrace of approximately 150m², a studio apartment on a mezzanine level with a fireplace and sleeping space.

On the first floor of this house, there are two large bedrooms with office areas (25 and 35m²), a master suite of 36m², a shower room, and a WC.

On the second floor, there is a landing with a bedroom and an attic that could be converted.

In the basement, there is a large double garage, another garage under the covered patio, a laundry room, and a boiler room with a new heat pump and a hydrodynamic water heater.

Several outbuildings complete this property, including a stone building with a tiled roof of approximately 120m², with a workshop, two former pigsties (with the possibility of creating stalls) and an attic upstairs, and a beautiful riding arena for working your horses.

The department of Orne, in Lower Normandy is bordered by the other two departments in the region, Manche and Calvados. It is located in the south of the region bordering with Mayenne, Sarthe, Eure et Loir and Eure. It is the only Normandy department without a coastline.

Orne's history was built through war, destruction and chaos but also through prosperity so don't worry it is a calm and peaceful place to live and visit now! It has rolling countryside, open meadows and boasts some of the best weekly markets in France.

Nowadays you can still see vestiges from all the troubled periods, as well as modern architecture that followed WWII. Nice property in the area is easy to find and reasonably priced.
