Facing the timeless silhouette of Sainte-Victoire mountain, in a sun-drenched natural setting, this property complex unfolds its charm on a generous, fully fenced 4,000 sqm plot. Two adjoining houses create a rare living space where space, serenity, and potential harmoniously converge. Ideally located near the international school and major roads, 10 minutes from Aix-en-Provence.

The main house, approximately 190 sqm, boasts welcoming rooms and a layout designed for comfortable everyday living.

On the ground floor, extending from a 60m² terrace, the spaces open onto a bright living room, perfect for sharing moments, which flows into a separate kitchen. A master bedroom with a dressing room offers an intimate and elegant space. There is no shower room adjacent to the master bedroom.

Upstairs, the house continues its promise of spaciousness with three bedrooms, as well as a master suite with its own dressing room and shower room, a true haven of rest, which can also be used as a home office for a professional practice with its separate entrance.

The second dwelling, approximately 85m², offers a warm and independent atmosphere. It is organised

around a welcoming living room with a fireplace, a separate kitchen, three bedrooms, a shower room, and a bathroom with a walk-in shower. An ideal place to host family and friends or to envision a hospitality project.

Outside, the vast plot offers endless possibilities: space for a swimming pool, convertible attic, garage, all these features enhance the potential of this property, which embraces nature and the majestic Provencal landscape.

A place where life unfolds in harmony with the light, with the Sainte-Victoire mountain as a backdrop.
