City area

Schoneberg is a contrasting district, both exuberant and residential, located in West Berlin. It's known for the KaDeWe, the historical luxury department store of Berlin, built at the beginning of the 20th century. The imposing town hall is lined with a square where one is one of the largest open-air markets in Berlin every week. Nearby, the large RudolfWilde Park offers a pleasant walk, with its small baroque chateau located on the lake. Nollendorfplatz is a very lively area with its restaurants, bars and street concerts in summer. There are also many art galleries on Potsdamerstrasse, like Kunstpalais. Schoneberg is well served by public transport, notably thanks to the underground train which some Art Nouveau resorts is worth to be visited. Several well-preserved Art Deco buildings are located in Schoneberg, which cohabit with buildings from the 1950s and luxury new built projects.ater, cabarets, bars ...), like around Akazienstrasse.
